022	Brush Electrical Engineering Co., Ltd	Standard 200 H.P. 0-4-0 Diesel Electric Shunting Locomotive				Folder containing loose information sheets on the locos
023	Associated Electrical Industries Ltd	Complete Main Line Diesel Electric Locomotives	Specification	British Transport Commission	1960-07	wallet containing 19 drawings for type 4 loco
023	Brush Electrical Engineering Co., Ltd	2750 H.P. Co-Co Type Main Line Diesel Electric Locomotives	Instructions and Schedule of Supply for the Purpose of Tendering for Power Equipments suitable for locomotives built to the design of Brush Electrical Engineering Co., Ltd., Loughborough		1962-01-04	
023	Brush Electrical Engineering Co., Ltd	950 H.P. Diesel Electric Locomotive	Technical Specification	The British Transport Commission (British Railways Division)	1962-05	Enclosed letter is quotation for supplying these locos
023	Brush Electrical Engineering Co., Ltd	Diesel Electrical Locomotives Type 4	Specification	British Transport Commission British Railways	1960-07	Wallet containing booklet, list of subcontractors, schedule of guarantees, and drawing of loco. Drawing shows twin engined loco.
023	Brush Electrical Engineering Co., Ltd	Diesel Electrical Locomotives Type 4	Specification	British Transport Commission British Railways	1960-07	Wallet containing specification booklet, list of sub-contractors, schedule of guarantees and tender letter
023	Brush Electrical Engineering Co., Ltd	Diesel Electrical Locomotives Type 4 (alternative) 1	Specification	British Transport Commission British Railways	1960-07	Wallet containing booklet
023	Brush Electrical Engineering Co., Ltd	Diesel Electrical Locomotives Type 4 (alternative) 2	Specification	British Transport Commission British Railways	1960-07	Wallet containing booklet
023	Brush Electrical Engineering Co., Ltd	Diesel Electrical Locomotives Type 4 (alternative) 2	Specification	British Transport Commission British Railways	1960-07	Wallet containing booklet and drawing of loco. Drawing shows single engined loco.
023	Brush Electrical Engineering Co., Ltd	Type "2" Main Line Diesel Electric Locomotives A1A-A1A 1250hp Nos 5500 - 5519	Supplement to Spare Parts List Electrical Control Gear	The British Transport Commission		

Box Number	Manufacturer	Subject	Title or description	Rail Company	Publication Date	Notes
023	Brush Electrical Engineering Co., Ltd		Tender and Specification for Southampton Docks	British Transport Commission	1960-10-06	For supply of 275/300 hp shunting locos. Includes loose drawing
024	Associated Electrical Industries Ltd	650 H.P. 0-6-0 Type 1 Diesel Electric Locomotive	Specification of Power Equipment to be used	British Transport Commission	1962-06	
024	Associated Electrical Industries Ltd	Complete Main Line Diesel Electric Locomotives	Tender	British Transport Commission	1960-07	For type 1 900hp loco
024	Associated Electrical Industries Ltd	Type 1 900hp Diesel Electric Locomotives	Tender Specification	British Transport Commission	1962-05	
024	Associated Electrical Industries Ltd	Type 1 Locos	Fuel Transfer Pump Motor			Loose drawing
024	Associated Electrical Industries Ltd	Type 4 Diesel Electric Locomotives	Tender Specification	British Transport Commission	1962-07	Folder contains drawings by Met-Camm for Type 4 & Type 5 locos
024	Brush Electrical Engineering Co., Ltd	950 H.P. Diesel Electric Locomotive	Technical Specification	The British Transport Commission (British Railways Division)	1962-05	also contains schedule of guarantees and tender letter for 900hp locos
024	Brush Electrical Engineering Co., Ltd	Diesel Electrical Locomotives Type 1	Specification	British Transport Commission British Railways	1960-07	Wallet containing specification booklet for 900hp locos, list of sub-contractors, schedule of guarantees and drawing of loco. Also part of an unrelated tender letter from Hudswell Clarke for 200hp locos
024	Brush Electrical Engineering Co., Ltd	Diesel Electrical Locomotives Type 1	Specification	British Transport Commission British Railways	1960-07	Wallet containing specification booklet for 900hp locos, list of sub-contractors, schedule of guarantees, drawing of loco and two copies of tender letter
025	Associated Electrical Industries Ltd	Complete Main Line Diesel Electric Locomotives	Specification	British Transport Commission		Includes Schedule of guarantees and tender letter
025	Associated Electrical Industries Ltd	Complete Main Line Diesel Electric Main Line Locomotives	Specification	British Transport Commission	1960-07	
025	Associated Electrical Industries Ltd	Type 4 Diesel Electric Main Line Locomotives	Power Equipments	British Transport Commission	1960-04-01	Folder containing tender letter, draing and schedule of guarantees
025	Brush Electrical Engineering Co., Ltd	200 H.P. Diesel-Electric Locomotive Type 0-4-0	Technical Specification	British Transport Commission (British Railways Division)		Contains drawings and tender letters
025	Brush Electrical Engineering Co., Ltd	200 H.P. Shunting Locomotives	Specifications for Power Equipments	British Transport Commission British Railways		For 200 hp 0-4-0. Contains drawings
025	Brush Electrical Engineering Co., Ltd	Diesel Electric Locomotives Type 2	Specifications for Power Equipments	British Transport Commission British Railways	1961-04	Contains schedule of guarantees and tender letter
025	Brush Electrical Engineering Co., Ltd	Diesel Electric Locomotives Type 4	Specifications for Power Equipments	British Transport Commission British Railways		For 2500 HP Locos
025	Brush Electrical Engineering Co., Ltd	Standard 200 H.P. 0-4-0 Diesel Electric Shunting Locomotive				Folder containing loose information sheets on the locos
025	Brush Electrical Machines Ltd	Class 45 Locomotives	ETH Conversion Parts List	British Rail		
025	Brush Traction Ltd	200 H.P. Diesel-Electric Locomotive Type 0-4-0	Technical Specification	British Transport Commission British Railways, Western Region		Contains drawing and tender letter
