

COLLABORATION PRIORITIES SUCCESS

The National Railway Museum and Eversholt Rail would like you to join us for our celebratory Annual Dinner on 25 May 2017.

The National Railway Museum Annual Dinner is renowned for its spectacular setting and unique venue. The dinner is now recognised by the rail industry as one of the UK's most prestigious networking and social events of the year.

We are proud to be working in partnership with Eversholt Rail Group once more as this year's lead sponsor.

You too can also benefit by becoming one of our limited number of Associate Sponsor at this year's National Railway Museum's Annual Dinner 2017.

Future Engineers, October 2016

“Sponsoring the drinks reception at this year’s Annual Dinner was a perfect way for us to help celebrate reaching our 20th year milestone. We are very proud of our relationship the National Railway Museum and felt that the Annual Dinner was an opportunity to thank our guests for helping us get to where we are today.”

— Omnicom Engineering Limited

“The National Railway Museum Annual Dinner really is a highlight of the rail industry calendar and Thales was proud to sponsor it in 2016. It is a great place to network with faces old and new and always attracts the right attendance from various key organisations. A great event, not to mention a fabulous setting among the historic steam engines!”

— Thales Group
